**Last Assignment as Corporate training Manager, Joined as Medical representative in year 1975.**

Later worked with Dr.Reddy's Laboratories, PCI pharmaceuticals and chemicals Ltd. Mumbai, and Ahmedabad based Pharma company as Managing Director .From 2003 till 2010 was engaged in Export /Import of commodities in Asia - Pacific region.

Since 2012 engaged in education field working with couple of NGO'S to propagate education in down trodden society, Identifying students having above normal IQ adopting them and getting admitted to better educational institute molding them to develop aspiration to attempt for competitive exams During this process got opportunity to have training for Bharatiy Ganit Shastra with Delhi based NGO shiksha Sanskruti Utthhan Nyas and since then never looked back.

In 2014 came across query from student how Bharatiy Ganit applications can be applied in modern maths process made me to think again and in process came across Mr. Maruti sharma and dr. Ramesh Kolluru both young enthusiastic took the task and did the assignment as per requirement of today .

This achievement made us to have entry at Gujarat technological university and demonstrated how we can apply Bharatiy Ganit process to problems as per syllabus in Diploma courses, further to this we are working for applications in degree courses. We are optimistic of meeting your expectations –
